30 days trial period

After installing plugin you will automatically get 30 days trial period. After that time you have to request a new license key. See instruction below.

Get License from Atlassian Marketplace

To get your license through Atlassian Marketplace you must request trial key or buy commercial license in **JIRAAdministration\Add-ons** menu.

The screenshot shows the JIRA Administration interface. The top navigation bar includes 'JIRA', 'Dashboards', 'Projects', 'Issues', 'CRM', and a 'Create' button. Below this is the 'Administration' section with a search bar and tabs for 'Projects', 'Issues', 'User management', 'System', and 'Add-ons'. The 'Add-ons' tab is selected and circled in red. On the left sidebar, under 'ATLASSIAN MARKETPLACE', the 'Manage add-ons' link is circled in red. In the main content area, the 'Manage add-ons' section shows a search filter set to 'crm' (circled in red) and a dropdown menu set to 'User-installed'. Below this, the 'User-installed add-ons' section displays the 'CRM' add-on with a 'TRIAL EXPIRING' badge. A 'Buy now' button is circled in red. The add-on details include a description, trial expiration date (31/Dec/69), license details (Evaluation, 10-user testing license, Standard, expires 31/Dec/69), license status (License is for an older version and maintenance has expired), license SEN (Unknown), and license key (AAABDQ00DA...). A sidebar on the right contains links for 'Stop watching', 'Marketplace listing', 'Full pricing details', 'Documentation', 'EULA', 'Support and issues', and '67 of 67 modules enabled'.
